"No one should have to go through such a crisis alone. We have assistance for crisis pregnancy, grief assistance for those loosing a spouse to death, but most people feel that a divorced person just needs to 'get over it.' That is so much easier said than done." That is why this ministry - to help others to focus their lives and develop what God has called them to do. **Jeremiah 29:20** says that He has a plan for each of us, to bless us and not to harm us. Divorce is not God's plan, but what the enemy meant for harm, God can turn around for good as we each seek Him.*
