

## **You can invite Lonnie to come to your church to speak to your congregation, ladies group or singles group.**

1 Corinthians 14:34 KJV

*Let your women keep silence in the churches: for it is not permitted for them to speak; but they are commanded to be under obedience, as also says the law.*

This was a scripture that Lonnie was taught since a child causing her to side-step the calling on her life to preach the Gospel as led by the Holy Spirit. But with age and wisdom (hopefully) the meaning of that scripture is not to down trod women, but to put the worship service in decency and in order. We, the church, have misused the meaning.

*Women are used throughout the Bible:*

**First evangelist:** Mary Magdalene, she was the first to tell of the risen savior.

**Dorcus:** Deacon in the New Testament church

**Deborah:** Old Testament judge

**Esther:** Queen that saved her people

And the list goes on, which would be a great study to do in a Ladies Group someday.

Lonnie is at home behind a pulpit and in front of a group either at a Sunday school class, Ladies Event or Worship Service. "The Word of God is alive and full of humor, stories, and life changing effects on people's lives. I take it very seriously in my study and presentation, but have fun while expounding and communicating the life giving water of the Holy Scriptures."

Lonnie is the mother of three grown and married children and the grandmother of two of the cutest children. She also has unofficially adopted 11 grandchildren that call her 'Grandma Lonnie'. Ask her to show pictures. She has walked through the pain and devastation of divorce and assisted others on how to find the hand of God during your most trying moments.

To Whom It May Concern:

It has been my privilege to know and work with Lonnie Campbell for 16 years in ministry. Her gifts and calling have made her a valuable asset to the local church. Lonnie's greatest gifts are counseling, administration, and teaching, along with serving and giving.

Her passion to help women in need birthed the ministry, 'Living Singles' Ministries, Inc. where many women have received healing from broken relationships, attended DivorceCare workshops and Bible studies as well as received physical ministry through food, furniture, and other benevolent aid.

As her pastor, friend and brother in the Lord, I would recommend Lonnie and her ministry for she would be a blessing to you and your people.

Sincerely,  
Marc Krattli  
Pastor, NW Worship Center
